

IN-CLASS EXERCISE

Plotting a Chart

DESCRIPTION

Edit the content and modify the appearance of the canvas-powered chart that you created in class today.

INSTRUCTIONS

- ☐ **STEP 1:** Look up Canada's population for the year 2010 and add this to the data set. Add a population projection for the year 2020 and also add this to the data set.
- ☐ **STEP 2:** Change the rendered fonts for the labels and chart titles.
- ☐ **STEP 3:** Modify the background gradient of the chart.
- ☐ **STEP 4:** Change the appearance and size of the line and the round points of the line graph.
- ☐ **STEP 5:** Modify some other aspect of the chart.

EVALUATION

Criteria	Mark
Marks are assigned based on the steps completed above.	/5
